**REQUESTED ACTION:**

Approve resolution to enter into an Interlocal Agreement with the City of Deerfield Beach to assign the City's contract with Zambelli Fireworks for fireworks to the Deerfield Beach CRA for the Fourth of July Celebration to be held on Thursday, July 4, 2013 and approve a resolution to fund the contract with Zambelli Fireworks for a lump sum of \$30,000.

---

**SUMMARY EXPLANATION/BACKGROUND:**

The 4<sup>th</sup> of July Celebration is scheduled to take place on Thursday, July 4, 2013 with the fireworks display scheduled to take place from approximately 9:00pm – 10:00pm. The event will include four bands that will perform at the Main Beach Parking Lot from 1:00pm - 9:00pm and it is anticipated to attract more than 70,000 people. More detailed information on the event will be finalized by mid-June.

The total contract price for the turnkey display at the Deerfield Beach Pier is \$30,000. This includes a fireworks show consisting of 5,618 shells and a waterfall feature. Additionally, Zambelli Fireworks will provide the necessary equipment and security for the fireworks loading, unloading, and guarding of the fireworks in between. The CRA will survey event attendees to gauge the economic impact of this event and the findings will be reported back to the Board for future program evaluation.

The adopted Redevelopment Plan for the CRA supports special events that enhance economic activity within the redevelopment area. The Independence Day event is an anticipated and budgeted expense in CRA line item 190-8000-579.35-74 (Special Events). The contract for the fireworks display is the only item in the event budget (attached) exceeding \$10,000 and therefore requiring Board approval.

## CONTRACT

THIS CONTRACT is entered into by and between the CITY OF DEERFIELD BEACH (CITY), a municipal corporation and ZAMBELLI FIREWORKS MANUFACTURING CO. (CONTRACTOR), as follows

### WITNESSETH:

WHEREAS, pursuant to RFP #2012-13/06 (the RFP) the CITY accepted competitive proposals for Fireworks Display (the Services); and

WHEREAS, the Services are delineated in the RFP; and

WHEREAS, this Contract, the RFP and the CONTRACTOR's Response constitute the entire Contract and describe the Services to be provided; and

WHEREAS, after evaluation of price and other evaluation criteria specified in the RFP, the evaluation committee and the City Commission of the City of Deerfield Beach, Florida, the CITY has determined that the most responsive and responsible proposal was submitted by CONTRACTOR and that CONTRACTOR has the necessary resources, experience and ability to perform the contract at a competitive price; and

WHEREAS, the CITY has awarded the contract to CONTRACTOR for the Services on January 15, 2013, Resolution No 2013/006;

NOW THEREFORE, be it agreed by and between the parties as follows:

### ARTICLE I

#### INTRODUCTION AND SCOPE OF SERVICES

- 1.1 The above referenced Whereas clauses are true and correct and made a part hereof.
- 1.2 This Contract, the RFP, together with the response to the RFP of CONTRACTOR shall constitute the entire Contract, except to the extent specifically modified on Attachment "A" Additional Terms and Conditions. The parties agree that the scope of services is a description of CONTRACTOR's obligations and responsibilities and is deemed to include preliminary considerations and prerequisites, and all labor, materials, equipment, and tasks which are such an inseparable part of the work described that exclusion would render performance by CONTRACTOR impractical, illogical, or unconscionable.
- 1.3 Except as specifically modified herein, CONTRACTOR shall be bound by the terms and conditions and prices as set forth in the RFP and the CONTRACTOR'S Response to the RFP. When the terms and conditions of this Contract may be read as consistent with the RFP, then and in that respect, the terms of both the RFP and this Contract shall be read as being consistent and shall be binding on both parties. Where terms and conditions of this Contract contradict anything as set forth in the RFP or the response to the RFP, then the terms and conditions of this Contract shall be binding and in full force and effect to the extent of any inconsistency.

- 1.4 This is a non-exclusive contract. The CITY may, in its sole and absolute discretion, utilize other parties to provide any of the services listed in the RFP, or any aspect of the Services if the CITY deems it to be in the best interest of the CITY.
- 1.5 CONTRACTOR acknowledges and agrees that the Contract Administrator has no authority to make changes that would increase, decrease, or otherwise modify the Scope of Services to be provided under this Contract.

## ARTICLE 2

### TERM AND TIME OF PERFORMANCE

- 2.1 The initial term of the Contract shall be one (1) year, beginning February 1, 2013 and ending January 31, 2014. The City reserves the right in its sole discretion, and upon mutual consent of both parties, to renew the contract for three (3) additional one (1) year renewal terms.
- 2.2 Time shall be deemed to be of the essence in performing the duties, obligations and responsibilities required by this Contract.

## ARTICLE 3

### COMPENSATION

- 3.1 The CITY shall compensate the CONTRACTOR for services provided by the CONTRACTOR, CITY agrees to pay CONTRACTOR, in the manner specified in the RFP, the amounts set forth in CONTRACTOR's Response for work actually performed and completed pursuant to this Contract, which amount shall be accepted by CONTRACTOR as full compensation for all such work. It is acknowledged and agreed by CONTRACTOR that this amount is the maximum payable and constitutes a limitation upon CITY's obligation to compensate CONTRACTOR for its services related to this Contract. This amount, however, does not constitute a limitation, of any sort, upon CONTRACTOR's obligation to perform all items of work required by or which can be reasonably inferred from the Scope of Services. No amount shall be paid to CONTRACTOR to reimburse its expenses.
- 3.2 The CONTRACTOR and the CITY shall abide by the Local Government Prompt Payment Act, FL SS. 218.70-218.80.

## ARTICLE 4

### TERMINATION OR SUSPENSION

- 4.1 This Contract may be terminated for convenience by the CITY. Termination for convenience by the CITY shall be effective on the termination date stated in written notice provided by CITY, which termination date shall be not less than thirty (30) days after the date of such written notice. This Contract may also be terminated by the City Manager upon such notice as the City Manager deems appropriate under the circumstances in the event the City Manager determines that termination is necessary to protect the public health or safety. The parties agree that if CITY erroneously, improperly or unjustifiably terminates for cause, such termination shall be deemed a termination for convenience, which shall be effective thirty (30) days after such notice of termination for cause is provided.
- 4.2 This Contract may be terminated for cause for reasons including, but not limited to, CONTRACTOR's repeated (whether negligent or intentional) submission for payment of false or incorrect bills or invoices, failure to suitably perform the work; or failure to continuously perform the work in a manner calculated to meet or accomplish the objectives as set forth in this Contract.
- 4.3 Notice of termination shall be provided in accordance with the "NOTICES" section of this Contract except that notice of termination by the City Manager, which the City Manager deems necessary to protect the public health, safety, or welfare may be verbal notice that shall be promptly confirmed in writing in accordance with the "NOTICES" section of this Contract.
- 4.4 In the event this Contract is terminated for convenience, CONTRACTOR shall be paid for any services properly performed under the Contract through the termination date specified in the written notice of termination. CONTRACTOR acknowledges and agrees that it has received good, valuable and sufficient consideration from CITY, the receipt and adequacy of which are, hereby acknowledged by CONTRACTOR, for CITY's right to terminate this Contract for convenience.
- 4.5 In the event this Contract is terminated for any reason, any amounts due CONTRACTOR shall be withheld by CITY until all documents are provided to CITY pursuant to Section 6.1 of Article 6.
- 4.6 Should at any time during the term of this contract, including any option terms, the CONTRACTOR is in violation of any of the terms and conditions of this contract, the City shall have the right to suspend the CONTRACTOR until the violation is resolved to the satisfaction of the City. If the violation is not promptly resolved or is of such serious nature that the City determines that suspension is not adequate, the City reserves the right to terminate for cause.
  - 4.6.1 In the event a CONTRACTOR is terminated, the City may assign the contract to another CONTRACTOR, or seek a new CONTRACTOR, until the contract is re-let, or until the end of the contract term then in effect, at its sole option and shall reserve all legal remedies for damages and other relief.

## ARTICLE 5

### EEO AND ADA COMPLIANCE

- 5.1 CONTRACTOR shall not unlawfully discriminate on the basis of race, color, national origin, sex, religion, age, political affiliation or disability in the performance of this Contract, the solicitation for or purchase of goods or services relating to this Contract, or in subcontracting work in the performance of this Contract. CONTRACTOR shall include the foregoing or similar language in its contracts with any subcontractors or subconsultants, except that any project assisted by the U.S. Department of Transportation funds shall comply with the non-discrimination requirements in 49 C.F.R. Parts 23 and 26, as amended. Failure to comply with the foregoing requirements is a material breach of this Contract, which may result in the termination of this Contract or such other remedy as CITY deems appropriate.
- 5.2 CONTRACTOR shall not unlawfully discriminate against any person in its operations and activities or in its use or expenditure of funds in fulfilling its obligations under this Contract. CONTRACTOR shall affirmatively comply with all applicable provisions of the Americans with Disabilities Act (ADA) in the course of providing any services funded by CITY, including Titles I and II of the ADA (regarding nondiscrimination on the basis of disability), and all applicable regulations, guidelines, and standards. In addition, CONTRACTOR shall take affirmative steps to ensure nondiscrimination in employment against disabled persons.

## ARTICLE 6

### MISCELLANEOUS

- 6.1 RIGHTS IN DOCUMENTS AND WORK  
Any and all reports, photographs, surveys, and other data and documents provided or created in connection with this Contract are and shall remain the property of CITY; and, if a copyright is claimed, CONTRACTOR grants to CITY a non-exclusive license to use the copyrighted item(s) indefinitely, to prepare derivative works, and to make and distribute copies to the public. In the event of termination of this Contract, any reports, photographs, surveys, and other data and documents prepared by CONTRACTOR, whether finished or unfinished, shall become the property of CITY and shall be delivered by CONTRACTOR to the Contract Administrator within seven (7) days of termination of this Contract by either party. Any compensation due to CONTRACTOR shall be withheld until all documents are received as provided herein.
- 6.2 AUDIT RIGHT AND RETENTION OF RECORDS  
CITY shall have the right to audit the books, records, and accounts of CONTRACTOR and its subcontractors that are related to this Project. CONTRACTOR and its subcontractors shall keep such books, records, and accounts as may be necessary in order to record complete and correct entries related to the Project. All books, records, and accounts of CONTRACTOR and its subcontractors shall be kept in written form, or in a form capable of conversion into written form within a reasonable time, and upon request to do so, CONTRACTOR or its subcontractor, as applicable, shall make same available at no cost to CITY in written form.

CONTRACTOR and its subcontractors shall preserve and make available, at reasonable times for examination and audit by CITY, all financial records, supporting documents, statistical records, and any other documents pertinent to this Contract for the required retention period of the Florida Public Records Act, Chapter 119, Florida Statutes, as may be amended from time to time, if applicable, or, if the Florida Public Records Act is not applicable, for a minimum period of three (3) years after termination of this Contract. If any audit has been initiated and audit findings have not been resolved at the end of the retention period or three (3) years, whichever is longer, the books, records, and accounts shall be retained until resolution of the audit findings. If the Florida Public Records Act is determined by CITY to be applicable to CONTRACTOR's and its subcontractors' records, CONTRACTOR and its subcontractors shall comply with all requirements thereof; however, no confidentiality or non-disclosure requirement of either federal or state law shall be violated by CONTRACTOR or its subcontractors. Any incomplete or incorrect entry in such books, records, and accounts shall be a basis for CITY's disallowance and recovery of any payment upon such entry.

CONTRACTOR shall, by written contract, require its subcontractors to agree to the requirements and obligations of this Section 6.2.

6.3 COMPLAINTS AND DISPUTES:

All complaints concerning misconduct on the part of the Contractor or disputes between City staff and the Contractor are referred to the City Manager or his designee, who shall conduct investigations and inquiries, including discussions with the Contractor and involved staff. The determinations of the City Manager or designee shall be binding upon the parties, and failure of the CONTRACTOR to follow any such determination could be considered a material breach and subject the CONTRACTOR to termination for cause. The CONTRACTOR agrees that any complaints received by the City concerning misconduct on the part of the CONTRACTOR, such as excessive charges, poor business practices etc., will be referred to the Office of the City Manager for appropriate action. The CONTRACTOR agrees to make any complaints concerning the City of Deerfield Beach available to the Office of the City Manager for action as required.

6.4 THIRD PARTY BENEFICIARIES

Neither CONTRACTOR nor CITY intends to directly or substantially benefit a third party by this Contract. Therefore, the parties agree that there are no third party beneficiaries to this Contract and that no third party shall be entitled to assert a right or claim against either of them based upon this Contract.

CITY's failure to enforce any provision of this Contract shall not be deemed a waiver of such provision or modification of this Contract. A waiver of any breach of a provision of this Contract shall not be deemed a waiver of any subsequent breach and shall not be construed to be a modification of the terms of this Contract.

6.7 SEVERANCE

In the event a portion of this Contract is found by a court of competent jurisdiction to be invalid, the remaining provisions shall continue to be effective unless CITY or CONTRACTOR elects to terminate this Contract. Authorize staff to procure the design and installation of a monument sign at the Deerfield Beach Café.

---

**SUMMARY EXPLANATION/BACKGROUND:**

When the RFP for the Pier Restaurant was issued one of the most unrelenting requirements of those considering submitting a proposal was signage. In particular, the need for exposure along A1A was seen as paramount. The City, wanting to pre-determine the sign location and control its appearance, committed in the RFP, and in the resulting lease, to install a monument sign. The tenant will be allowed to place a logo and a limited amount of text upon the sign.

TW Signs of Deerfield Beach will be designing and fabricating the sign as a sub-contractor to Shiff Construction, Inc. Shiff will pull the permit, extend the electric (which was stubbed-out for this purpose), prepare the pad, and adjust and supplement the landscaping as necessary, among other things. The cooperatively bid Job Order Contracting method was used to select these providers.

The sign is being designed to blend in with the entry feature to which it will be adjacent. See attached location photo) Community Appearance Board approval of the sign will be obtained.

Board approval to proceed is being sought for a “not to exceed” amount to prevent the delay that would occur if the value exceeds the administrative limit. Additional details regarding the costs involved will be presented at the meeting.

**REQUESTED ACTION:**

Approve resolution to authorize Chen Moore Associates Inc. scope of services to design and permit parking relocation in the Cove Gardens Streetscape project in an amount not to exceed \$5,480.

---

**SUMMARY EXPLANATION/BACKGROUND:**

As part of the April 9, 2013 CRA Board meeting discussion regarding approval of the Cove Gardens Streetscape Improvements project, the Board heard comments from several property owners requesting financial assistance to construct approved parking. The Board directed staff to coordinate with property owners whose parking was in the right of way to assist them.

Attached to this item is a plan view showing the effected properties. The red highlighted area on this plan shows the extent to which parking will be relocated onto private properties such that cars parked perpendicular will not encroach over the sidewalk. This work will require two change orders: 1.) Chen Moore Associates for \$5,480 and 2.) MBR Construction for \$22,721.08.

The Chen Moore Associates scope of services includes all design and permitting work required to implement this additional work. Chen Moore's original February 2011 scope of services (attached) for design and permitting for this project was \$63,263. As reported at the April 9, 2013 CRA Board meeting (Item 4), the CRA Director authorized an additional scope of services for \$6,318 to Chen Moore to provide additional construction administration services concurrent with the Board's approval of the construction contract. These services weren't included in the original scope since the feasibility of finding construction funding was undetermined when the original contract was authorized. Since the CRA Director already approved change orders to the vendor totaling 10% of the original contract, the spending policy requires that all subsequent spending requires CRA Board approval. A copy of the CRA Director's spending policy is attached.

The MBR Construction change order (attached) for the construction of this improvement is within the CRA Director's spending authority and does not require Board action. It is, however, attached for the Board's information. There are adequate funds available in the Cove Gardens Streetscape account (386-8000-572.61-12) for this expense.

There are adequate funds available in the Infrastructure and Capital Improvements (190-8000-552-60-04) project for the Chen Moore Associates scope of services.

CRA staff requests Board direction to proceed with the design and permitting and subsequent construction of these improvements.

COMMUNITY REDEVELOPMENT AGENCY**

**Agenda Item 3  
Tuesday, April 26, 2011**

---

**REQUESTED ACTION:**

Approve Resolution amending CRA Resolution 2010/001, setting forth the authority of the CRA Director to expend CRA funds.

---

**SUMMARY EXPLANATION/BACKGROUND:**

The CRA Board has authorized the CRA Director to procure goods and services on new purchases in accordance with the City of Deerfield Beach Procurement Ordinances, as outlined in CRA Resolution 2010/001.

For current projects, the CRA Board approves a project budget with very specific line item expenses associated with the project. Situations arise during design and construction that can increase the cost or scope of the approved contract. Currently, CRA staff must request authorization from the CRA Board for *any* such expense or alteration of the scope of services. Therefore, CRA has a decision-making opportunity on such issues once a month, unless a special meeting is called.

CRA staff is committed to meeting or exceeding the Board's expectations of delivering on-time on budget projects. The current procurement and authorization policies and procedures make it difficult at times to fulfill that expectation. Therefore, CRA staff proposes a modification to the current budget structure of future projects and the authority of the CRA to procure goods and services.

CRA staff proposes that project line items include a contingency budget that equals 10% of the contract value. This contingency would be reserved for changes that arise from time to time. An upcoming example would be the Pier reconstruction budget. If it were awarded, for example, at \$2.2 million, the contingency budget would be \$220,000 (10% of the construction budget). Change orders that arise from unforeseen circumstances, not exceeding \$25,000, could be authorized from the project contingency with the approval of the CRA Director.

The CRA Director will continue to report any and all discretionary spending to the CRA Board in bi-weekly expenditure reports and would report approved change orders at the next regularly scheduled CRA Board meeting.

As the CRA undertakes additional reconstruction projects of the magnitude of the Cove Shopping Center Parking Lot and The Pier, the proposed framework for procurement for existing contracts will assist CRA staff to make faster decisions in the field and ensure on-time delivery of capital projects.

The CRA Director may authorize change orders to existing contracts previously approved by the CRA Board not exceed \$25,000 and conditioned upon the availability of budgeted contingency funds specific to the project in an amount not to exceed ten (10) percent of the original contract amount. Procurement requirements shall not be artificially divided so as to avoid the regulations with regard to procurement as set forth herein. A ny single change order exceeding \$25,000 requires Board approval. Cumulative change orders exceeding 10% of the original contract amount require Board approval of a budget amendment.

F. Report to CRA Board

As pertain to sections A, B and C above, the CRA Director shall report to the members of the CRA Board any and all payments made or expenditures authorized pursuant to a purchase order within seven days of such authorizations, excluding payments made pursuant to purchase orders previously reported. Any change orders approved by the CRA Director pursuant to Section E shall also be reported within seven days and at the next regular meeting of the CRA Board. Such report shall indicate the date of the authorization, the amount, the recipient, and a description of the expense, encumbrance, or change order.

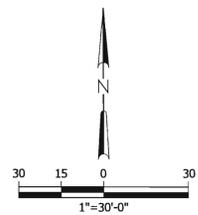

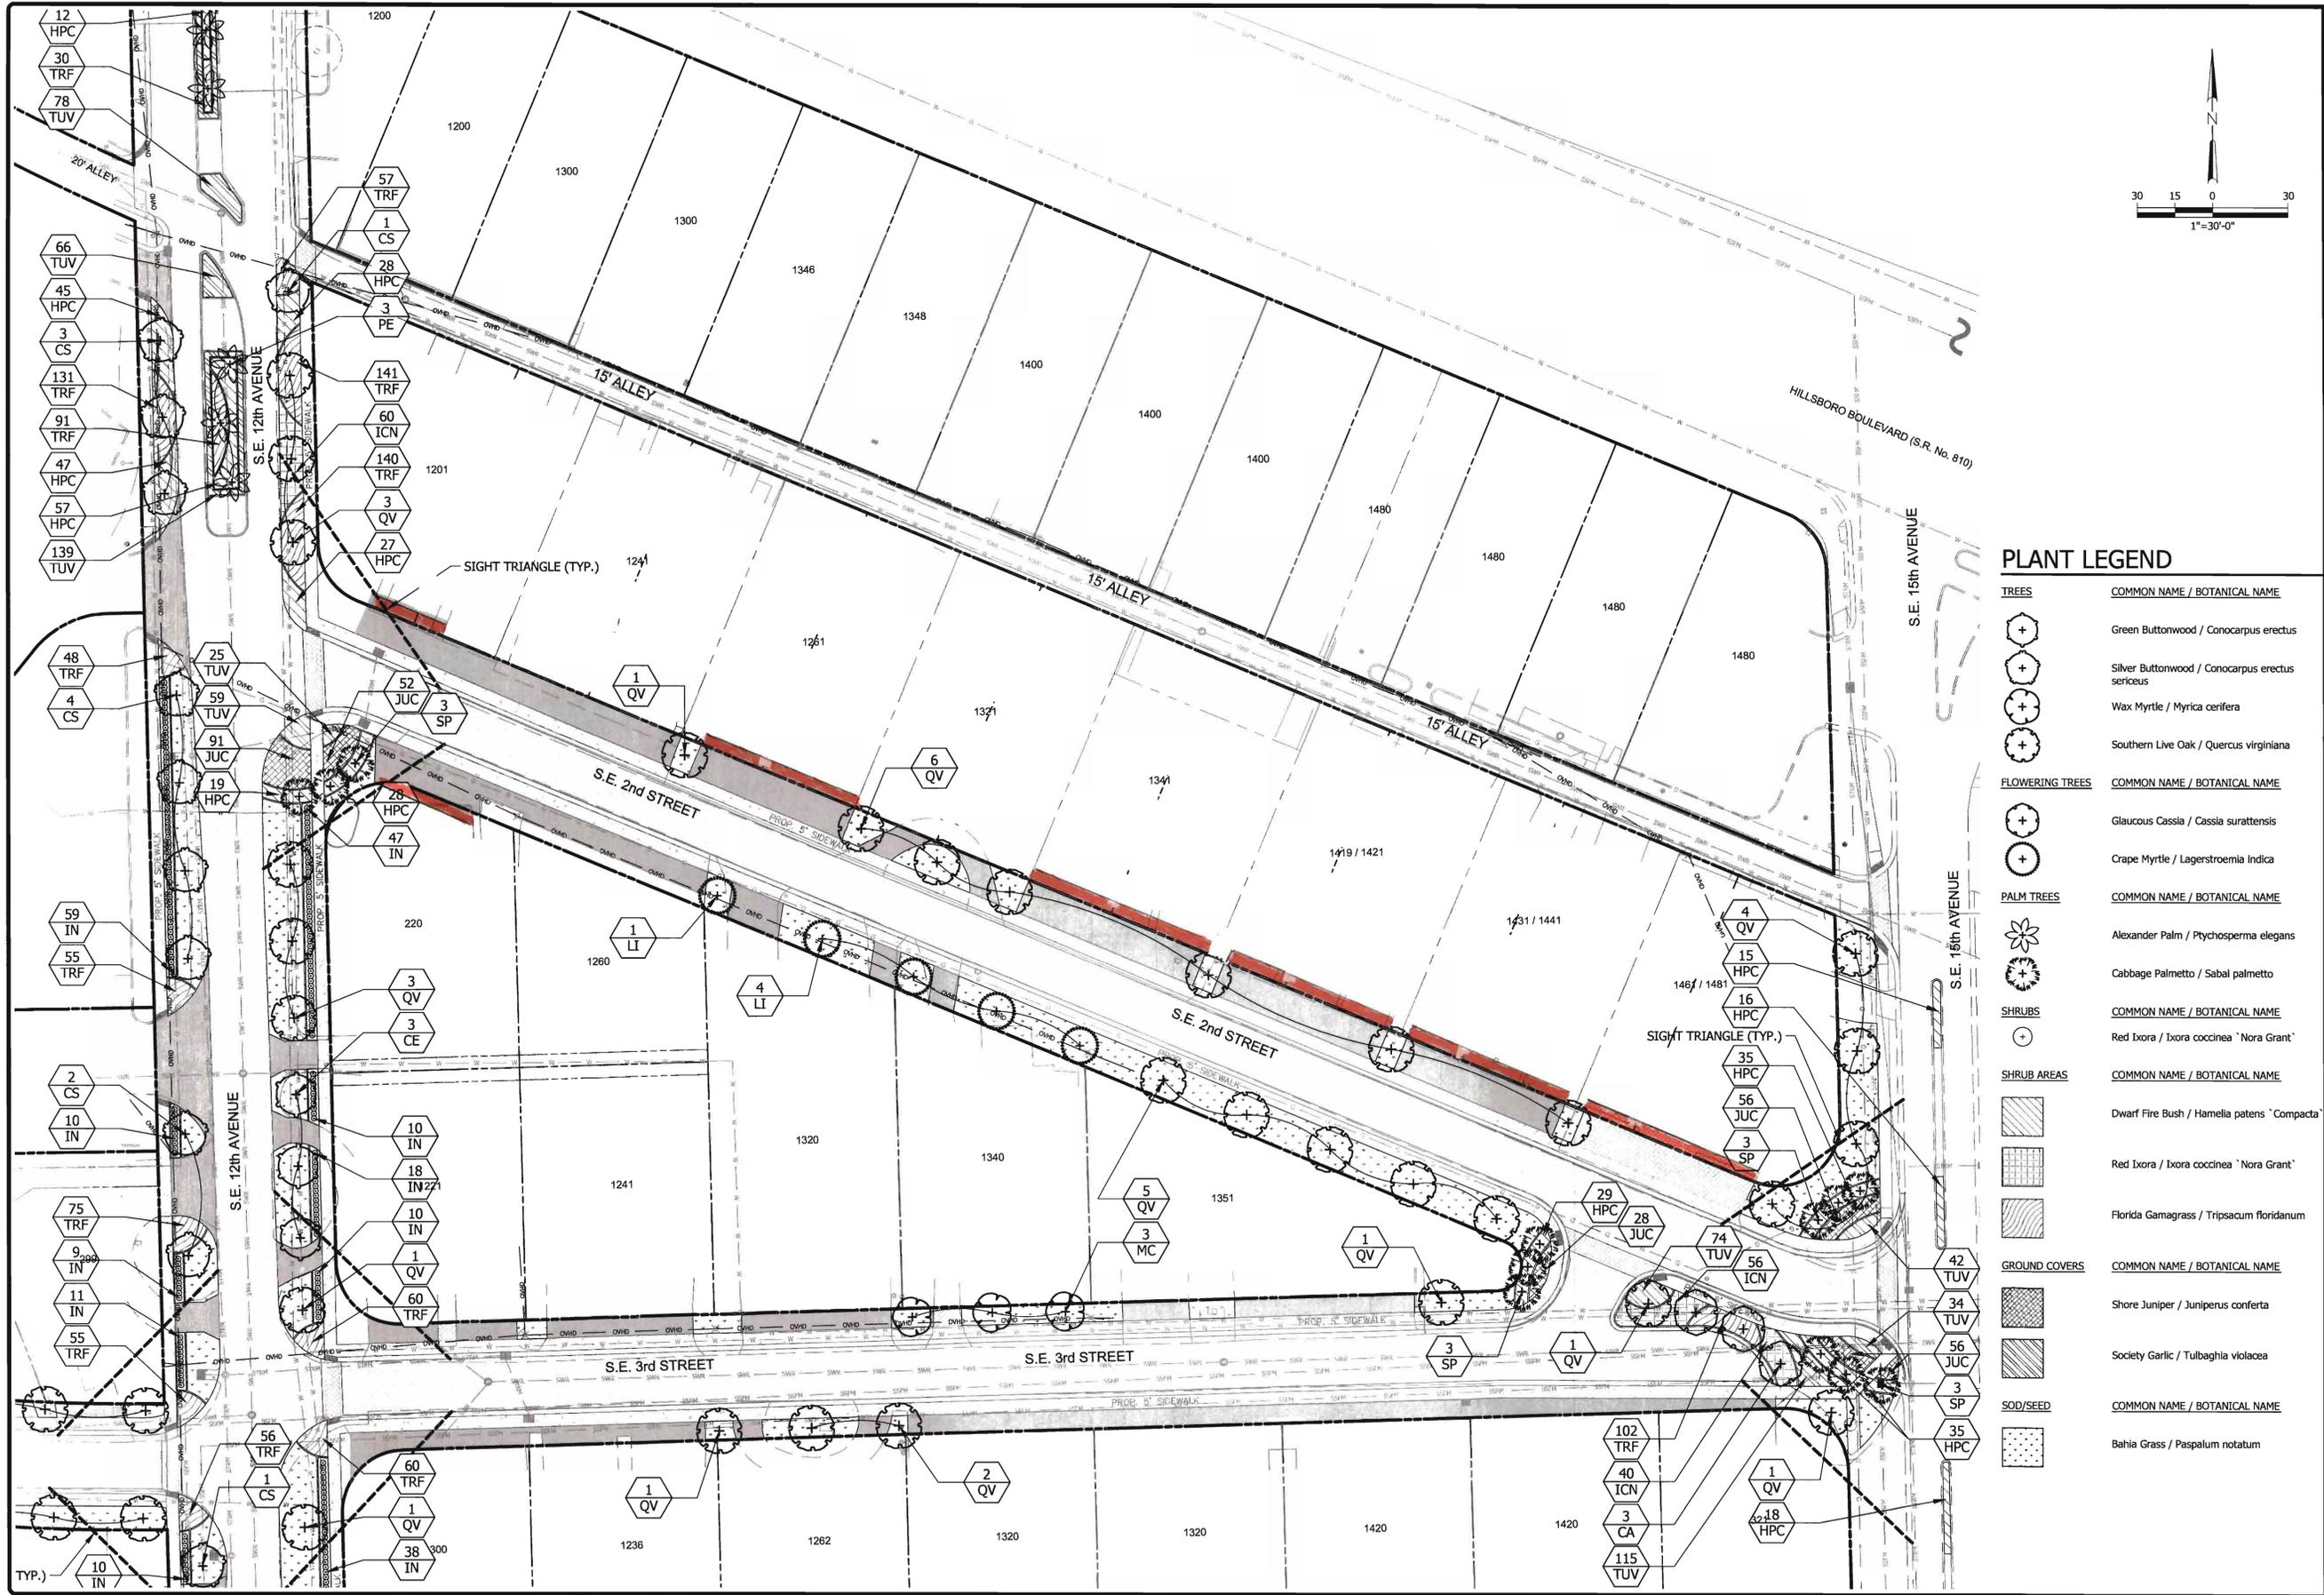

G. The rules and regulations described herein are intended to specifically modify the application of the City's Procurement Code to the CRA. The adoption of these modifications does not contradict the requirement that the CRA otherwise abide by the rules and regulations which apply to the City. The CRA shall continue to follow City Procurement Code except as specifically clarified herein.

**REQUESTED ACTION:**

Approve resolution to authorize Chen Moore Associates Inc. scope of services to design SE 12<sup>th</sup> Avenue median modification in the Cove Gardens Streetscape project for an amount not to exceed \$8,290.

---

**SUMMARY EXPLANATION/BACKGROUND:**

As part of CRA staff's discussions with Cove Gardens residents regarding the streetscape improvement project, several residents requested that the project include an alteration to the intersection of SE 12<sup>th</sup> Avenue and the alleyway exiting the Hillsboro Commons plaza (see attached sketch). Residents requested that the median be redesigned such that traffic exiting the plaza is allowed to take a left turn on to SE 12<sup>th</sup> Avenue to directly access Hillsboro Boulevard. Currently, vehicles exiting the plaza cannot make a legal left turn and must turn right (south) and either make a U-turn on SE 12<sup>th</sup> Avenue or travel on SE 2<sup>nd</sup> Street and/or SE 3<sup>rd</sup> Street in order to return to Hillsboro Boulevard. Residents indicate that the proposed median alteration would greatly reduce the amount of traffic traveling through the neighborhood.

The alteration has been reviewed by the CRA Project Manager, the City Engineer, and the engineers from Chen Moore Associates. The team generally agrees that the modification would reduce the traffic traveling south on SE 12<sup>th</sup> Avenue and traversing the Cove Gardens neighborhood. However, the alignment of the alley and SE 12<sup>th</sup> Avenue make it difficult to design a safe solution that meets all roadway design standards (sight triangles, queuing, stacking, and lane dimensions). Also, this modification has not been presented to all stakeholders that may be affected by the change including Hillsboro Commons businesses, Hillsboro Boulevard alleyway businesses, 7-Eleven, Gimme A Burger and neighborhood residential property owners to determine if they support the change.

The CRA Board is, therefore, being asked to approve funding for a scope of services for Chen Moore to create a preliminary design for the modification. The scope includes physical observation and data gathering on vehicle counts and traffic flow. This data will then be incorporated into a preliminary design. If a feasible design is not possible, the Board and residents will be notified as such and the modification proposal will not proceed any further. If a feasible design is created, the design will be networked with project stakeholders to determine the level of support. If there is substantial support, the CRA will request a change order from MBR Construction for the improvement. The Board will be updated on the status as it moves through the above outlined process.

CMA Proposal No. 011.149AD3**

Dear Ms. Mory:

Chen Moore and Associates (CMA) is pleased for the opportunity to submit the attached proposal for Professional Services and Scope of Services to assist you in accomplishing your goals on the Cove Gardens Improvement Project. Please find the following as proposed from Chen Moore and Associates (CONSULTANT) and the City of Deerfield Beach CRA (CRA). All services set forth herein shall be rendered subject to the construction services agreement between the parties dated April 6, 2010 via Resolution 2010/066. The terms of said agreement shall apply to this work authorization and are incorporated herein by reference.

#### SCOPE OF SERVICES

The CONSULTANT is to provide professional services associated with the Design, Permitting and Construction Observation for the proposed Cove Gardens Improvements. Cove Gardens is generally located south of the Hillsboro Boulevard Alley, north of SE 4th Street, east of SE 12th Avenue and west of SE 15th Avenue, including SE 3rd Street west of SE 12th Avenue. The proposed improvements include the design of streetscaping including lighting, landscaping and sidewalks, roadway design and new drainage facilities to address surface water issues within the neighborhood. This proposal is an addendum to the original scope dated February 17, 2011 and is for professional services relating to modifications to the traffic circulation at SE 12<sup>th</sup> Avenue and 2<sup>nd</sup> Street intersection. These services shall include investigation, design and permitting (as necessary).

#### Task 1.7 Preliminary Engineering – Investigation

The CONSULTANT shall observe traffic at said intersection to determine traffic movement. CONSULTANT will note the traffic circulation patterns at the intersection to design modifications that will improve the traffic flow. A full traffic study is not included in this task.

#### Task 3.5A Preliminary Drawings for 12<sup>th</sup> Avenue Traffic Circulation

The CONSULTANT shall design 2 alternatives for improvements to the traffic circulation at the intersection of SE 12<sup>th</sup> Avenue between SE 2<sup>nd</sup> Street and the Alley. The alternatives will be submitted to the CRA for review.

#### Task 3.5B Final Drawings for 12<sup>th</sup> Avenue Traffic Circulation

The CRA will direct the CONSULTANT to proceed with the final design and cost estimation for the alternative chosen by the CRA. The CONSULTANT will prepare final plans for the alternative selected.

**REQUESTED ACTION:**

Staff will make a brief presentation on the CRA Budget and facilitate a discussion regarding Fiscal Year (FY) 2014 budget priorities.

---

**SUMMARY EXPLANATION/BACKGROUND:**

At the April 9, 2013 CRA Board Meeting, staff presented the Board with a summary of the CRA's accomplishments for the first six months of Fiscal Year 2013. Staff reviewed the adopted 2011-2016 Capital Improvements Plan (CIP) and requested that the Board consider budget priorities for FY 2014 for further discussion.

The City's Finance Department projects the CRA's Tax Increment Revenue to be approximately \$2,145,000 in FY 2014. This figure will be finalized in July 2013 when the Broward County Property Appraiser's Office finalizes tax roll values. Preliminary evaluation of current CRA operations and projects' status indicate that the CRA will not carry over funds from FY 13 to FY 14. If CRA TIR funds remain in the trust fund unexpended, the CRA will be asked to pass a carryover resolution in December 2013 to officially report CRA TIR that was not spent in the previous fiscal year. Anticipating no carryover, the CRA FY 14 Budget will be approximately \$2,145,000.

CRA fixed costs include agency overhead (\$379,876) and debt service (\$1,200,000). Agency overhead includes staff salaries, operating expenses, payment to the City for support services, and insurance. Debt service will continue to be an annual expense for the life of the CRA. The FY 2014 CRA Budget includes the annual debt service payment; however, bond funds for the Cove Gardens Streetscape and Sullivan Park Expansion projects are held in separate accounts and do not intermingle with CRA TIR funds. While not included in the budget, the Board should be aware that CRA staff will have Cove Gardens construction and Sullivan Park Expansion planning and permitting as part of the agency workload during FY14. After overhead and debt service are deducted from available funds, \$565,000 remains available for activities and projects.

The adopted CRA FY13 Budget is attached to this item. The FY14 column has been completed with estimated figures for agency overhead and debt service. Rows with a zero show project accounts that have been completed or, based on previous Board direction, are not likely to be funded in FY14. Blank spaces represent project and activity categories that the Board may want to fund in FY14.

Activities that the Board has indicated a desire to fund on an ongoing basis include community policing (\$50,000), Special Events (\$190,000), and the Commercial Façade Loan Program (\$100,000). Projects that have been completed or previously determined by the CRA Board to no

longer be priorities are highlighted in the 2011-2016 CIP (attached). As part of the current budget process, remaining projects on the CIP should be re-prioritized to assist in annual budget planning and overall project implementation. New projects, if desired by the Board, should be included or more specifically defined for inclusion in the updated CIP. Projects awaiting implementation include ADA sidewalk construction, beach enhancements (North Beach Pavilion Reconstruction), and lighting coverage upgrades.

CRA staff request Board direction in establishing project implementation priorities so that more detailed project costs can be prepared and incorporated into the updated CIP and proposed FY14 CRA Budget.
