FOOD VENDOR TERMS & CONDITIONS

GENERAL

- One exhibitor is allowed per space. No subletting or sharing of space is permitted. Once registration is confirmed, transfer of a vendor space to an unregistered vendor is prohibited.
- The inspector will only come once and any food vendor who misses inspection will not be allowed to participate. It is the sole responsibility of the vendor to show up for and pass inspection.
- Booths must be occupied and open for business during all hours of the Grill -Off.
- No vehicles are allowed on the field after 2:00 PM or before 7:00 PM on Saturday, June 19th. Vendors may start breaking down at 7:00 PM however, vehicles will not be permitted onto the field until 7:15 PM and attendees have cleared the area. The City of Deerfield Beach will have the final decision on this safety precaution and may change breakdown hours depending on circumstances.
- Vendor vehicles cannot block the road during set up or breakdown. In the event of an emergency, the Fire Department has to be able to drive without difficulty.

FOOD AND BEVERAGES PRODUCTS

No food or beverages items may be sold at the event for vendors participating in the Grill-Off.

APPLICABLE LAWS & REGULATIONS & INSPECTIONS

The DBPR will be on site, Saturday, June 19th, to conduct an inspection of all food vendor booths. No vendor will be allowed to distribute food until they pass inspection. The Fire Department will also be conducting an inspection of tents, electrical cords and cooking equipment. All equipment must comply with both state and local regulations and all food service must comply with Health Department regulations.

CLEAN-UP

Vendors are responsible for the complete clean-up of their space and disposal of all trash and debris. Disposal of oil and grease is **absolutely** prohibited on site and down City storm basins. Vendors must leave the Grass as they found it when they set up and take all measures to prevent grease, oil and food droppings from dripping on and accumulating on asphalt or field. Failure to comply may result in exclusion from future City of Deerfield Beach events.

TRUCK/TRAILER PARKING & EMPLOYEE PARKING

Parking is extremely limited at the event. There are no accommodations for RVs, POP-UP CAMPERs, LARGE TRUCKS, TRAILERS OR VEHICLES REQUIRING MORE THAN ONE SPACE TO PARK. Each food vendor will be given a total of two vendor parking passes regardless of space size to use during the event, this includes any refrigerated or supply vehicle a vendor needs to be placed in the parking area. Each vehicle must be able to fit in one regular parking space. Vendors with multiple employees should encourage their employees to carpool or get dropped off.

TENTS

Vendor owned tents must conform to booth size. Construction of booth and displays must be able to withstand inclement weather and crowd activity. Tents must be manufactured of flame-retardant materials. Each tent leg must be weighed down in some form or another. Leg weights are essential due to the location of the event. No stakes are allowed.

The contents of the booth cannot go beyond the assigned exhibitor booth space. Your booth should not interfere with your neighbor's booth.

RESTRICTIONS

The City of Deerfield Beach only allows items to be distributed from the front or crowd side of the vendor space. Displaying and distributing food from the back of the tent (the sidewalk side or fence line) is strictly prohibited. This forces crowds to have to maneuver around electrical hook-ups, cords, etc. and represents a safety hazard. Vendors may only distribute food within their tent. It is prohibited to walk through the crowd or near the stage to distribute food or other items.

POWER

Electric power is provided for tented food vendors. We will do everything possible to accommodate everyone's needs, however there are limits to how many cords can be plugged into the portable electric connection boxes. Vendors should bring, at a minimum, a 50-foot extension cord. Please ensure cords, plugs and equipment are up to code and will pass the Fire Department inspection. You must supply your own electrical cord for plug in. Lighting/electricity for the inside of your tent must meet the following specifications: no metal clamps, no flat cords, only 12-gauge round cords and only UL

approved outdoor grounded cords may be used. All power cords must be taped down.
